

...Dear Vespista, we hereby invite you to the historic event called "3^ Audax Vespistico del Crostolo" which will be held on 09 September 2023.

65 years after the last edition, we are pleased to re-propose a regularity event on our Reggiano Apennines.

The first edition, held on 7 July 1957, envisaged a 314 km route with alternating plains, hills and mountains. In that edition it was Margini Eusebio on Vespa GS 150 who won the first prize.

The second edition which took place on 8 June 1958 saw Raffaello Tolone of the Vespa Club Verona on a Vespa GS 150 win first place. Also on that occasion the route was an alternation of plains with some hilly/mountainous sections for a total of 320 km divided into two sectors.

We have tried to make this edition truly Audace by studying a 270 km route of mountains mixed with some hilly sections, where the competitors will be put to the test. We have decided to establish 3 prizes called: "Trofeo del Crostolo", "Gran Premio della Montagna" and "Trofeo GS" which will be explained more accurately in the Regulations of the Event.

So what can I say, we are waiting for you and you cannot miss this opportunity to put yourself to the test and win the "AUDAX PATENT".

President
